

Instructions for using the telephone system in the LiftMaster call box:

1. Press Entry Code (Pin) on the touch screen
2. Put in code and press Enter. Gate will lift.

Options when using Phone Call:

Pressing “Find a Name” gives the user the ability to either scroll or search for Leaseholder they wish to visit.

Pressing “I have a Directory Code” brings up a key pad and gives the user the ability to put in the last four digits of the Leaseholders phone number or a created number chosen by the leaseholder.

When receiving a call from the call box, this is the number that will show up on your caller ID:

541-525-9750.

It is recommended that you add this number to your contacts. Upon answering the call, you must press “9” on your phone to open the gate.

If you need assistance during office hours you may select Salishan Staff in the directory, and this will ring the patrol staff to assist you
