

SLI View Restoration Request

This form is to be completed when a Leaseholder believes that another Leaseholder's vegetation is blocking their views. Before submitting this request to the SLI manager, please review the Uniform Lease, Doc #1.02, Section 19. Attach any additional documentation, i.e. photos, letters, etc. If the SLI manager and the Leaseholders cannot agree to a solution, this request will be forwarded to the Architectural Committee for a decision. Please be aware that you may not enter another Leaseholder's property without permission.
